- ✓ **Help families facilitate body safety conversations at home;**
- ✓ **Receive a free copy of Only For Me; and**
- ✓ **Help raise funds for child protection organisations.**

Dear Teachers & Educators,

My name is Michelle Derrig and I am the author of "Only For Me" - a beautiful 32 page rhyming picture book, which gently empowers children with the knowledge that their body is private and that they have a right to protect their privacy.

Only For Me is endorsed by one of Australia's leading Child Protection organisations *Act For Kids*, is a resource of the Child Protection Unit at *Sydney Children's Hospital* and has been reviewed by Kids Book Review as '*possibly THE BEST book available on the topic*'. Since its release 4 years ago, over 20,000+ copies have been sold across the globe to critical acclaim by parents, teachers, educators and child protection experts.

Whilst it is important that schools cover protective behaviour topics in class, experts agree that it is also essential for parents and carers to reinforce these messages at home and to nurture a relationship with their child, where they both feel comfortable discussing body safety issues.

To help your parents facilitate these conversations with their children, I am offering schools and childcare centres the opportunity to participate in my NCPW Initiative. The initiative allows parents to purchase a copy of Only For Me and to receive free shipping to your school (saving them \$7.95). As a thank you for your participation you will receive a complimentary copy of Only For Me for your library and you will also be helping to raise much needed funds for child protection organisations, with \$1 from every book sold being donated to treat victims and prevent abuse.

If you would like to participate in this wonderful opportunity the process is very simple and requires very little administration:

- 1. Register your organisation online at www.onlyforme.com.au**
- 2. Promote the opportunity to your parents (digital material provided).**
- 3. Parents order online using the unique coupon code for your organisation (cash payments can be made available if preferred).**
- 4. All books are then sent directly to your organisation for distribution.**

Please note that registrations must be completed by no later than 31st August as National Child Protection Week commences 6th September.

Should you require any further information please do not hesitate to get in contact with me directly.

With kind regards,

Michelle Derrig
